

# Trader Picture Power

Pictures by **Tony Swift**

■ GUYS and Dolls are strutting their stuff on stage this week as Burton Operatic Society get into the swing of things.

The BOS started its run of the famous musical - with gangster guys courting pretty salvationists - on Monday, and it goes on until Saturday night.

Performances are at 7.30pm each night, with a matinee on Saturday at 2.30pm.

A few tickets were left as the *Trader* went to press, and they can be booked on (01283) 516609.
